

ABDUL SHUKKOOR

Lead UI/UX Designer • Product Designer • Project Manager

+91 9745502492 | abdulshukkoorsky@gmail.com | https://www.linkedin.com/in/abdul-shukkoor-037026ba/ | https://abdulshukkoor.com/ | Kochi, India 686673

SUMMARY

Innovative UX and Product Design Leader with 12+ years of experience across digital products, SaaS, healthcare, AI-powered applications and digital transformation. Experienced in leading end-to-end UX initiatives from research and discovery through design, testing, implementation and delivery. Strong in user-centered design, UX strategy, strategic thinking, design systems and cross-functional leadership, with hands-on experience in Figma, Adobe tools and AI-assisted technologies. Skilled in stakeholder collaboration, decision-making, team mentoring, project planning and Agile/Scrum delivery.

EXPERIENCE

Lead UI/UX Designer • Design Lead • Project Manager

Cabot Technology Solutions

- 04/2021 | Kochi
- Led and supported UI/UX and product design initiatives from discovery and research through ideation, prototyping, user testing, implementation and delivery.
- Translated user needs, business goals and complex product challenges into clear, user-centered experiences across healthcare SaaS, AI/GenAI and digital transformation initiatives.
- Guided UX direction, experience strategy, priorities and delivery plans while coordinating designers, developers, business stakeholders and clients and supporting design decision-making.
- Led UX research, information architecture, user flows, wireframing, interaction design, visual design, prototyping and design system practices.
- Led design discussions, reviews and collaborative workshops to improve alignment, decision-making and design quality.
- Managed project scope, priorities, timelines, estimates, stakeholder communication, and delivery coordination across cross-functional initiatives
- Mentored and coached designers through design reviews, feedback, problem-solving and practical design and AI workflows, supporting team development and continuous learning.
- Worked closely with development teams through implementation, QA, and iteration to keep design intent and usability intact
- Supported pre-sales proposals, solution discussions and project estimation by contributing UX approaches, delivery considerations and experience strategy.
- Worked within Agile/Scrum and cross-functional delivery environments, using AI-assisted tools to accelerate research, ideation, prototyping and product design workflows.

Senior creative designer & front-end developer

Logiticks Technolabs

- 03/2017 - 04/2021 | Kochi
- Led and delivered UI/UX, visual design and front-end design solutions for websites and digital products
- Collaborated with development teams to translate design concepts into consistent, usable digital experiences
- Supported design discovery, solution exploration, implementation reviews and cross-functional delivery
- Worked across web design, branding, visual communication and front-end development

UI/UX/Web designer & front-end developer

Art Technology and Softwares India Pvt. Ltd

- 06/2014 - 03/2017
- Designed websites, user interfaces, mobile app experiences and digital visual assets
- Worked on front-end development, WordPress design and development, branding and graphic design
- Supported website design, UI implementation and collaboration with development teams
